

COVID-19 Tourism Guidelines – Last update 11-Sep-20

DHONI STELLA & OVER REEF PRIVATE CHARTERS

BOOKING

- A confirmed pre-booking is a pre-requisite for the entry visa. No entry Visa fee is due.
- ‘Split stays’ between resorts are permitted from 1st Sep, while combo holidays charter+resorts are not allowed yet.
- If, prior or during the charter period, We or the Charterer would be unable to perform the charter due to health bans or restrictions, the parties hereby agree to reschedule the unperformed charter period once the said bans or restrictions shall be lifted or for a maximum period of 24 months. The amounts paid by the Charterer for the unperformed charter period will be withheld as partial or total payment of the price of the postponed charter.

ARRIVAL AND DEPARTURE

- Passengers must complete a "Health Declaration" 24 hours before arrival at <https://imuga.immigration.gov.mv>.
- Tourists arriving in Maldives from 10th Sep will be required to provide a negative coronavirus test result on arrival. The said PCR test must be conducted within a maximum of 72 hours prior to departure to the Maldives. The PCR certificate should bear the name and address of the laboratory that performed the testing, result of the test, date of testing as well as name and signature of the issuing officer. The PCR test certificate has to be submitted to Maldives Immigration via its IMUGA platform (<https://imuga.immigration.gov.mv>) when filling out the traveler 'Health Declaration'.
- Travellers presenting with symptoms of COVID-19 upon arrival may be subjected to a PCR test at the traveller's cost. Those that test negative will be allowed to board the yacht, while individuals that test positive may be transferred to a government managed facility for monitoring and treatment. Local health authorities may conduct random testing.
- Tourist or tourist's medical insurance shall bear all costs where required, to be transferred, quarantined, isolated, or treated at a government managed facility.
- Testing services are available in the Maldives for tourists who require COVID-19 test results to return to their countries of origin or another destination.
- Passengers must complete a "Health Declaration" 24 hours before departure at <https://imuga.immigration.gov.mv>.

ADDITIONAL SAFETY GUIDELINES

- Crews will remain on board between charters. Crews re-boarding the vessels from overseas or from inhabited islands under monitoring will be quarantined for 14 days prior to reporting for work.
- The vessels will be disinfected as per local authorities' guidelines after departure of guests and before new guests are accepted on board.
- Tourist vessels are not allowed to call into any harbor a part of harbors pre-designated by the Ministry of Tourism.
- While in the airport tourists shall wear face masks and shall maintain minimum distance of one meter at all times.
- On board crews will wear masks when in direct contact with tourists in indoor spaces.
- Any flu-like symptoms from staff/tourists shall be immediately reported to the captain, who is required to follow the relative procedures.

** **NOTE** – The entry procedures and restrictions will be reviewed every 14 days and may be eased, unless extended by the government. Resorts or larger vessels, where tourists who do not travel together share the same facilities, may apply different or more restrictive measures.*
