

Over Reef is the first floating villa built on a catamaran sea-kindly hull to operate in the Maldives islands. The yacht is able to cruise in all conditions, offers all the comforts of modern homes, and is full of innovative solutions, such as the electrical sun-visor, a unique feature offering extensive amount of light and fresh breezy balcony to the bow cabins.

Over Reef is designed to accommodate on board even those who are not used to sailing holidays. In fact, the volume, comfort, large living spaces, headroom, one-level floor, home appliances, and one of a kind flybridge space make it a comfortable villa at sea.

THE CABINS

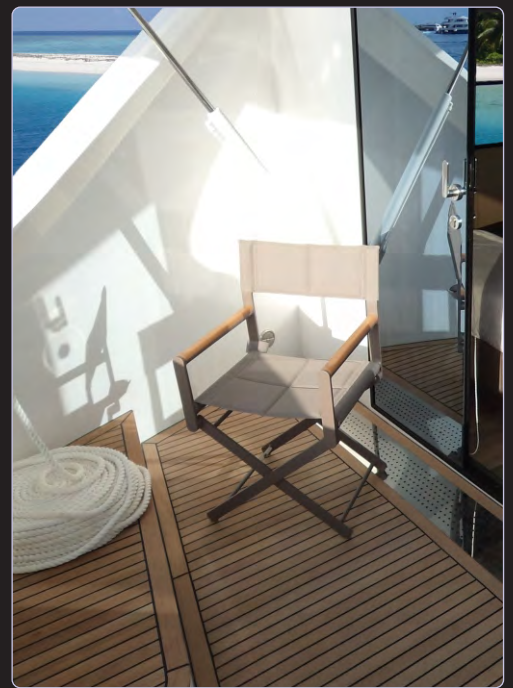

Over Reef counts 3 guests cabins. Master and VIP cabins are at the bow, and both have glass door to access the forward deck. Master cabin has private bathroom, while VIP cabin has shared toilet with the third guests cabin. The latter is equipped with a large single bed and a pullman bed.

LAYOUT AND FLYBRIDGE

Without interior steps, in order to greatly enhance the living comfort as well as safety on board, Over Reef is the ideal solution at sea for families and also for a more elderly clientele. The yacht has a comfortable lounge and a large flybridge with BBQ grill, sofas, sunbathing cushions, deckchairs, and awning.

WATER SPORTS

The aft platform is designed for fishing and scuba diving. Over Reef is equipped with a large, comfortable, and fast motorized tender for excursions, islands visits, fishing, water sports, and scuba diving.
